

## Sponsor A Team NLP Athlete

Team Next Level Performance (NLP) needs your support! Sponsor a player and afford them the opportunity to be evaluated on the collegiate level for a potential scholarship to help further their education. Team NLP is a grass-roots AAU travel program created by Former Chicago Bulls, Three-Time NBA Champion, Dickey Simpkins to enable student athletes the ability to play on the regional and national travel circuit.

Unfortunately, many of our athletes have financial barriers that limit their ability to participate in our travel team program. This is where your generous donation would make an immediate impact, by allowing student athletes the venue to showcase their talent in front of hundreds of recruiting college coaches across the nation.

Your sponsorship includes: Registration and tournament fees for an NLP athlete for 8 regional and national tournaments; 2 game uniforms; 1 practice uniform; 2 pairs of socks; 1 sports bag; athletic insurance, AAU membership card, and practice training sessions. All sponsors will be recognized on the NLP website and Team NLP program book. Thank you for your personal or business sponsorship in advance.
